## **DAP® DRYDEX®**

### **Product Fact Sheet**

DAP® DryDex® spackling features a patented Dry Time Indicator that goes on pink and dries white verifying when the patched surface is dry and ready to be sanded and painted. The product:

- Is ready-to-use on drywall, plaster, wood, brick or stone (products sold separately)
- Is ideal for interior and exterior projects
- Is low in odor
- Loses all pink coloring and dries completely white when it's ready to be sanded and painted
- DryDex Dry Time Indicator is also featured in our DAP PLASTIC WOOD-X All Purpose Wood Filler. These products are ideal for homeowners and beginner DIYers who are looking for a product that takes the guesswork out of when it's time to sand and stain/paint

DryDex is available in four sizes – 5.5oz squeeze tube, 1/2 pint, pint and quart – to handle any size job. Find DryDex at local home repair and improvement stores nationwide. For more information, visit [www.dap.com](http://www.dap.com).

#### **About DAP Products Inc.**

DAP manufactures reliable, long-lasting products for contractors and DIYers. Headquartered in Baltimore, Md., DAP is a leading manufacturer of caulks, sealants, adhesives, insulating foam, spackling, glazing and other general patch and repair products.
